Tapa

Let's make your space together

What is ‘informal’
anyway?

It means something easy,
relaxed, something that
goes by different rules.

Informal meetings
support interaction,
and without the latter
there is no innovation.

Au fait, qu'est-ce que « l'informel » ?
Il s'agit de quelque chose de détendu,
relâché, insoumis aux règles habituelles.

Les réunions informelles favorisent
l'interaction nécessaire à l'innovation.

informal shape

un look informel

The world of Mac Stopa's designs goes by different rules: colour, organic shapes and three-dimensionality. The designer knows that when an office takes on colour, courage enters the scene. Because colour is energy, and that is why Stopa has designed the Tapa: to offer as many colour options as possible.

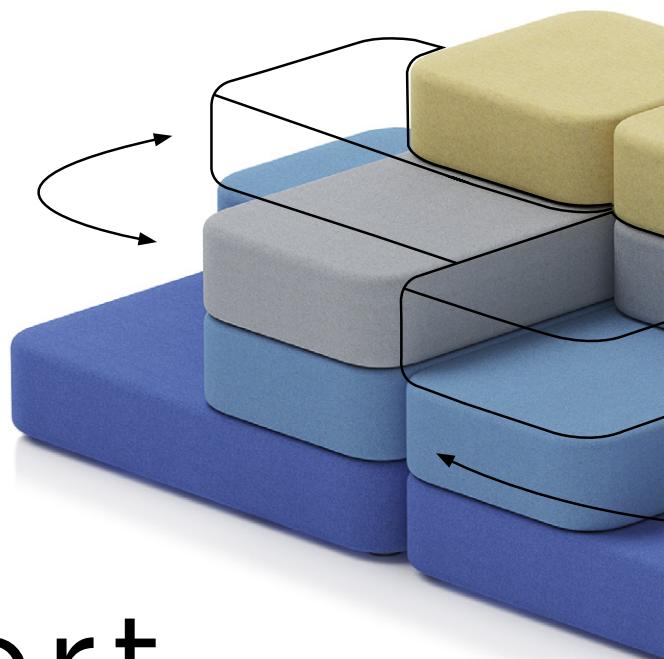

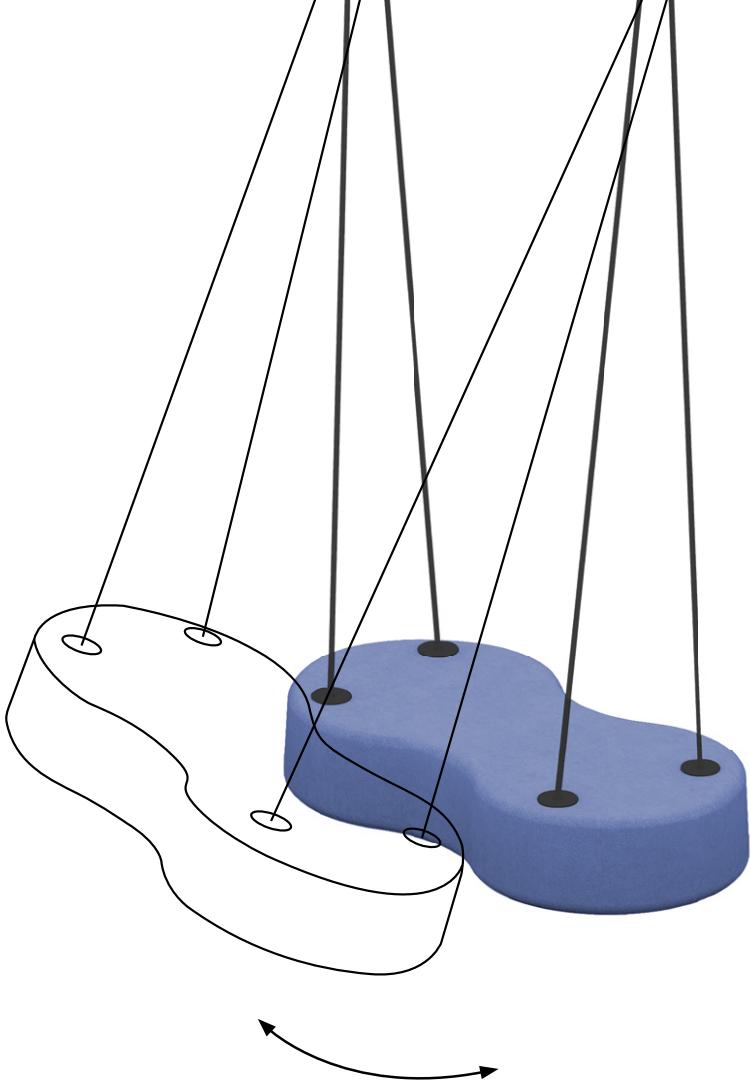

L'univers des projets de Mac Stopa est régi selon des codes différents: la prédominance des couleurs, les formes organiques et la tridimensionnalité. Pour ce designer, un espace de bureau rempli de couleurs renforcera le courage de l'utilisateur car elles représentent l'énergie. C'est pourquoi il a conçu Tapa avec le maximum de choix de nuances de couleur.

**comfort
movement**

le confort du mouvement

With a rotational mechanism, the second and third levels of the poufs can move, so you can adjust the Tapa to your back, shoulders and arms. This will give you a sense of pleasant comfort and detachment from the world around you.

En s'ajustant contre votre dos, vos épaules et vos bras, Tapa vous permet de se détacher de l'atmosphère qui vous entoure en vous apportant une sensation de bien-être. En effet, son mécanisme permet le pivot du second et du troisième niveau des poufs.

a few
l'espace

You can have a few, more or many Tapa, depending on your needs and the space you have.

Innovation is supported by interdisciplinary collaboration, new ideas created together and clashing viewpoints.

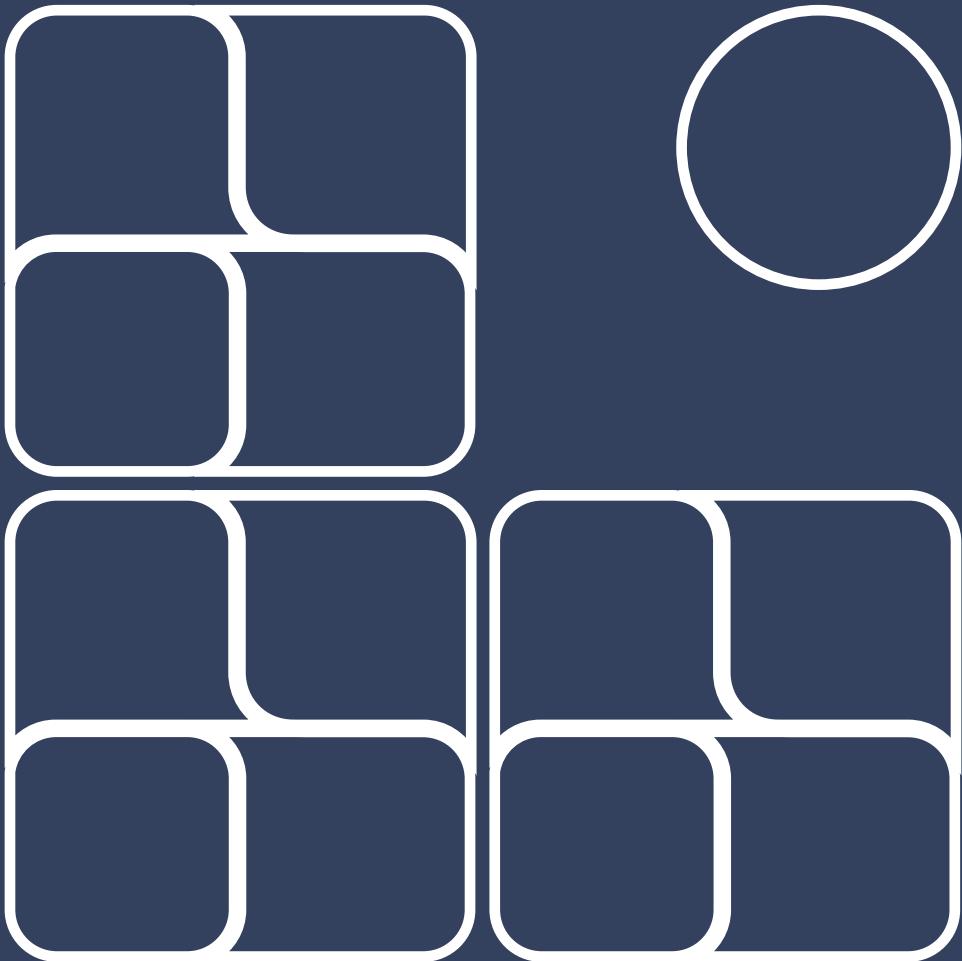

Because the most brilliant ideas are hardly ever born at a desk.

La collaboration interdisciplinaire, le partage des idées et la divergence des points de vue sont les clefs de l'innovation. Parce que nos inspirations les plus brillantes émergent rarement d'un poste de travail, vos besoins en Tapa dépendront de votre besoin de collaborer et de l'espace dont vous disposez.

more
le temps

Well-designed office spaces give you an opportunity to tell the story of your company and its values. That is why the reception area is so important. They say we only have seven seconds to make a good first impression. With its sculptural form, the Tapa can become a symbol of modernity and flexibility.

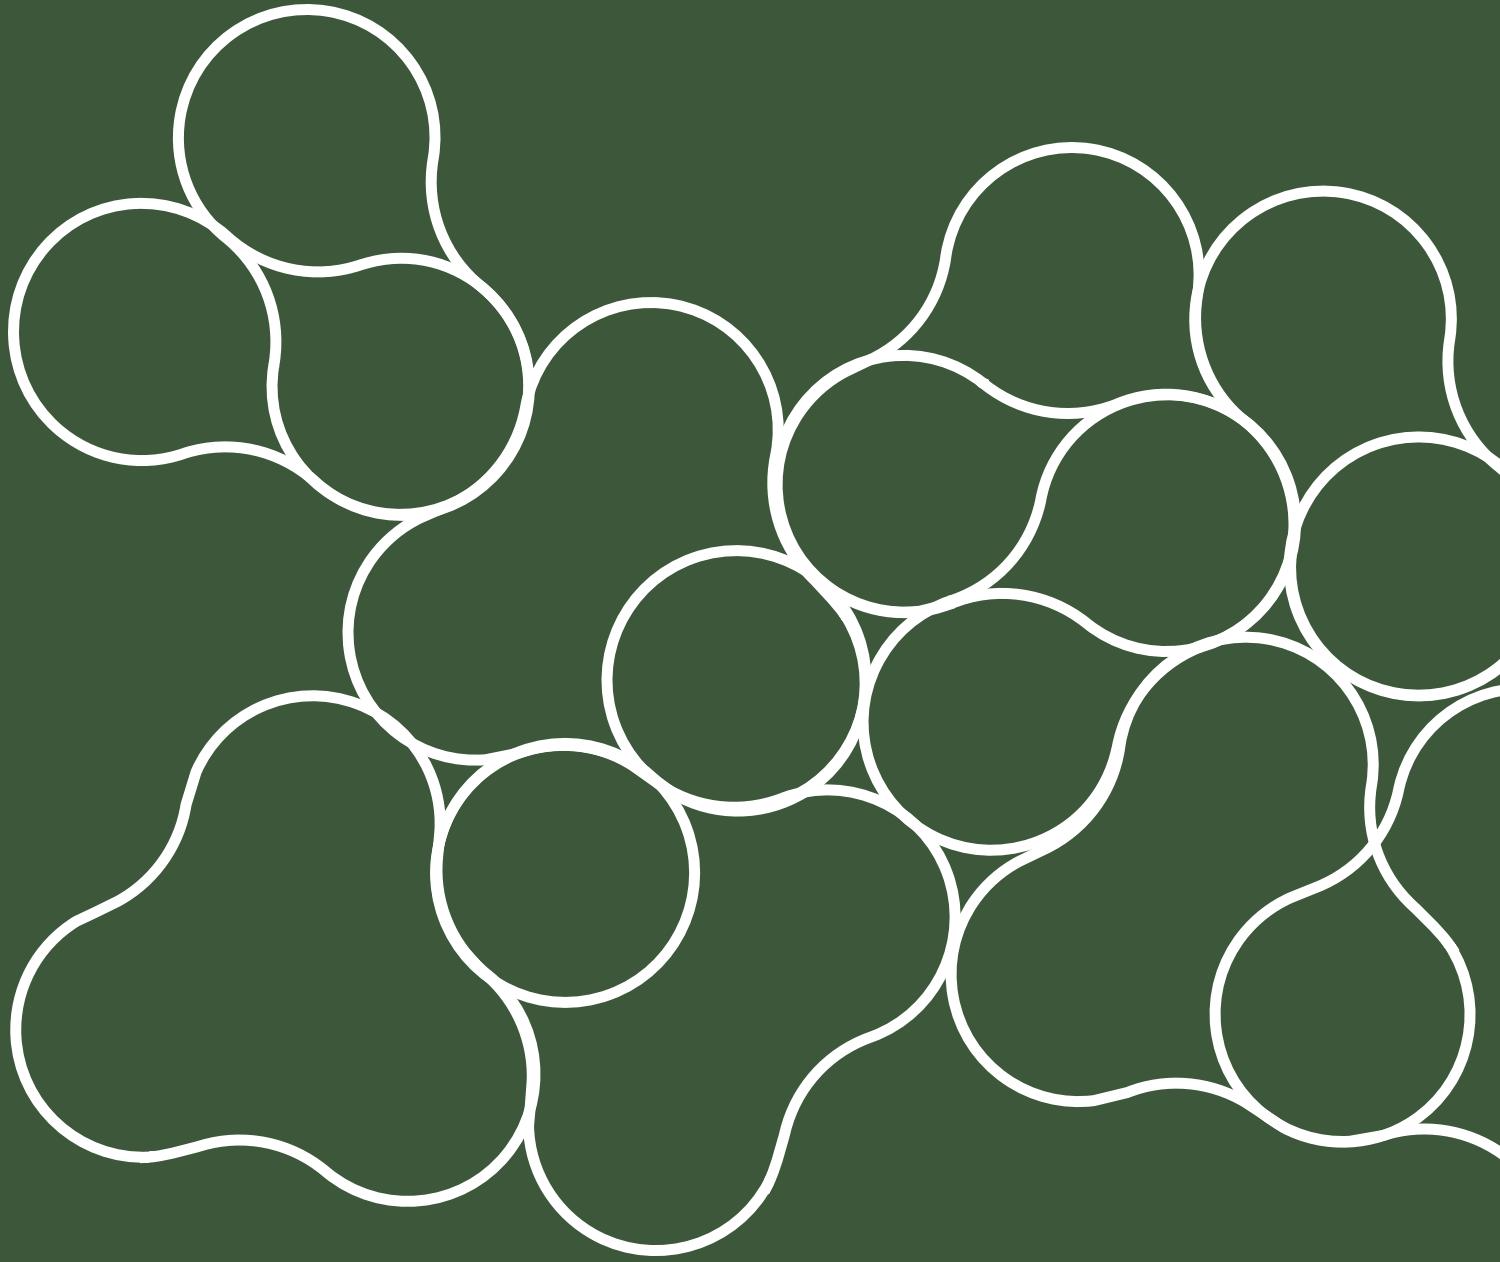

Seulement sept secondes suffisent pour faire une bonne impression. C'est pourquoi l'espace d'accueil d'une entreprise ne doit pas être négligé! De plus, un espace de bureau bien aménagé permet d'exprimer les valeurs et l'histoire d'une entreprise. Avec sa forme sculpturale, Tapa inspire modernité et flexibilité.

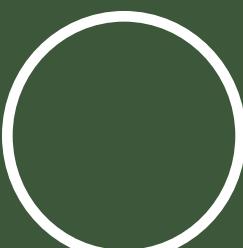

many
la rencontre

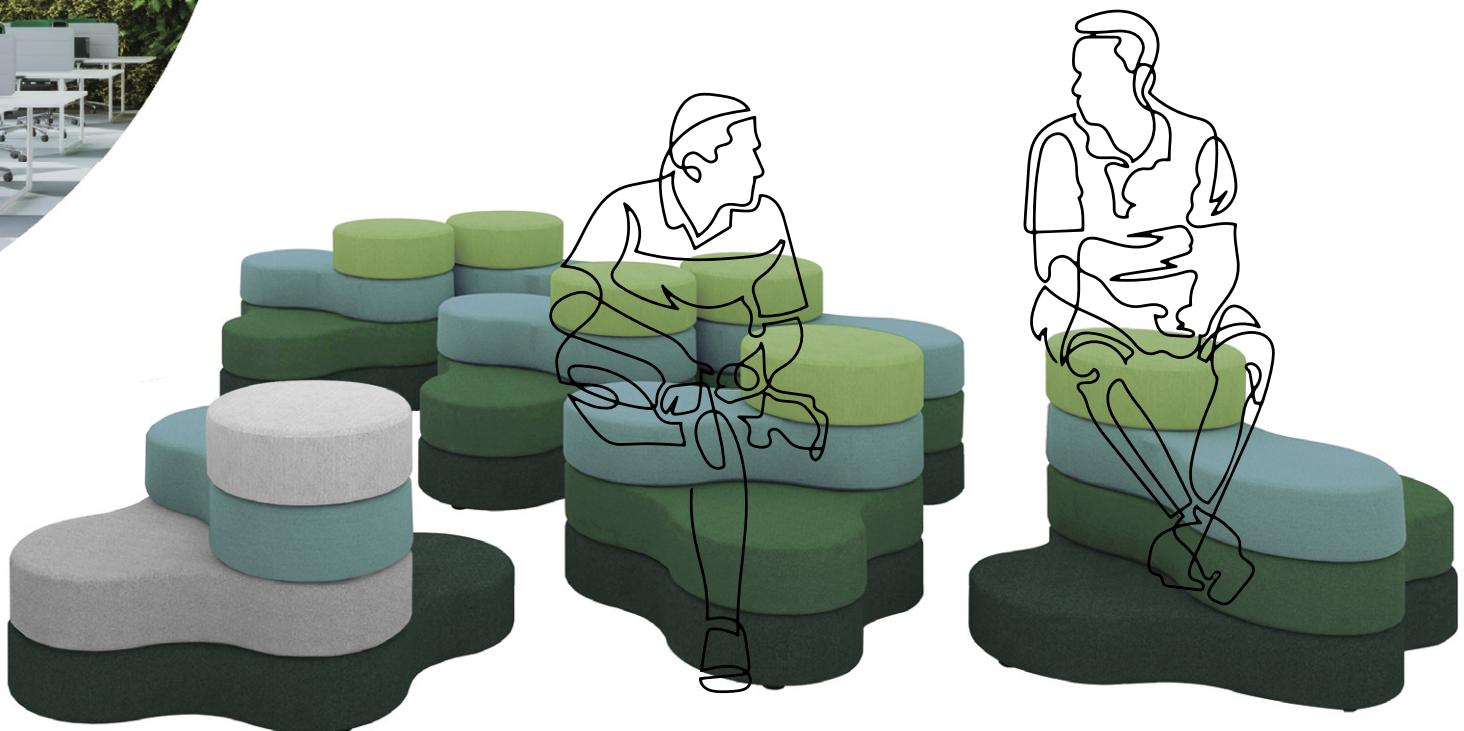

Tapa's informal look creates a friendly atmosphere and unleashes imagination and the courage to share it. With the modular design of the poufs, you can change configurations and layouts, while the set can be used by several people. Because modern offices are meeting spaces more than anything else.

De nos jours, les bureaux sont avant tout des espaces de réunion. Ces rencontres nécessitent une atmosphère bienveillante que l'aspect informel de Tapa contribue à créer en plus d'encourager les échanges et de libérer l'imagination. La structure modulaire de ses poufs permet de modifier leur configuration et disposition, tout en restant disponibles pour plusieurs utilisateurs.
