MAGNES II

EN The modernised Magnes II seating system has not only an improved form but also a number of new functionalities. The simple form lets you create combinations to match any interior.

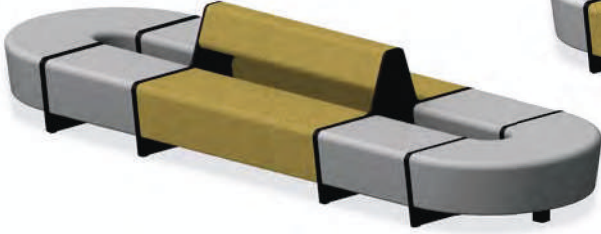

FR Magnes II est une évolution de la gamme Magnes I, avec de nouvelles formes et un certain nombre de nouvelles fonctionnalités. Sa forme simple vous permet de l'adapter à n'importe quel intérieur.

MAGNES II

EN Modest, where they are intended to complement a space, or complex and extensive where designed as the dominant element.

FR Les modules simples peuvent servir de compléments. Complexes et puissants, ils deviennent les éléments dominants de l'espace.
